

Declaration of Original Work

I, Erica Mauriz H. Barundia of section S23, declare that the code, resources, and documents that I submitted for the 1st phase of the major course output (MCO) for GDPROG3 are my own work and effort. I take full responsibility for the submission and understand the repercussions of committing academic dishonesty, as stated in the DLSU Student Handbook. I affirm that I have not used any unauthorized assistance or unfair means in completing this project.

I acknowledge the following external sources or references used in the development of this project:
